

A Peek at Next Week

Mrs. Kinzer & Ms. Sultan

Week of April 16, 2018

We have had several students going on unapproved websites while using the Chromebooks. Please talk to your child about internet safety & making good choices when using the computer.

**It is "Penny War" time!
All grade levels will compete to see who can bring in the most pennies! (PTO fundraiser)**

Upcoming Events

- 4/6-5/11 Penny Wars (PTO fundraiser)
- 4/20 \$1 Fundraiser- Sit with a friend in the classroom (All \$ raised goes to the end of the year celebration)
- 4/20 Progress Reports
- 4/27 Fine Arts Night 6:30
- 5/5 Math Bowl @ HCES
- 5/11 Heritage Day

This Week's Focus

Math - This week we are continuing our study of customary/metric length and capacity. There will be a study guide going home on Monday and a test this week on Thursday.

Science - The space projects were awesome! It's always scary when students present their first oral project, but they always do extremely well.

We will continue our study of forces and motion by studying weight and gravitational pull. This unit will unite math weight/measurement standards and physical science standards.

Reading- We are reading the novel "My Life as a Book." We will focus on drawing inferences with text support.

Writing- Our focus will be on narrative writing and response to text.

Grammar- We will be reviewing grammar skills. Students will learn how to write compound sentences and use them in their writing.

Social Studies- We have been studying about abolitionists and the causes of the Civil War. We will start discussing the events at the beginning of the Civil War and the important people.
