## This Week's Focus

**Math** - We will be wrapping up our fraction unit by comparing fractions to decimals (tenths and hundredths). There will be a final test that will cover multiplying fractions by whole numbers, adding tenths and hundredths ( $1/10+34/100$ ), and writing/comparing/ordering decimals (tenths and hundredths).

**Science** - We will be learning about stars and star patterns this week. A study guide will go home this week. The test on stars and star patterns will be on Tuesday, March 13th.

**Reading**- We are reading "George Washington's Socks." We will have a vocabulary test on Friday. Vocabulary words are: reverence, quiver, emphatically, divulge, & sturdy.

**Writing**- We will be working on opinion writing.

**Grammar**- We will be focusing on linking verbs, adverbs and sentence types.

**Social Studies**- We are discussing Western Expansion of the US.
