- 3/30 Dalton State Astronomy Professor visit
- 4/2 - 4/6 Spring Break
- 4/6-5/11 Penny Wars
- 4/20 Progress Reports
- 5/5 Math Bowl @ HCES
- 5/11 Heritage Day

This Week's Focus

Math - We are currently studying geometry. There will be a geometry test on Thursday, March 29. A study guide will go home on Monday.

Math Bowl is May 5th. Further information will be going home soon, but mark the date on your calendar. We'd love to have a lot of 4th grade participants this year!

Science - Our current unit of study is forces and motion. Students are conducting fun lab projects daily in the STEM lab. During this time math measurement standards of length and weight will be imbedded into most lessons.

March 30th- An Astronomy Professor from Dalton State College will be our guest speaker

SPACE PROJECT DUE: April 11

Project information was sent home on March 16th. **NOTE:** The space project was sent home on Friday, March 15th. Project information and research is located in a special folder. The project will be due on the Wednesday after Spring Break, April 11.

Reading- We are reading "Civil War on Sunday." This is a short novel. We will test over vocabulary at the end of the novel. A vocabulary list has been sent home.

Writing- Our focus will be on opinion writing and response to text.

Grammar- We will be reviewing grammar skills.

Social Studies- We are studying about the Civil War.
