Math- We are continuing our review of addition/subtraction and estimation. This week we will learn about multiplication arrays and how multiplication is repeated addition. Students are practicing multiplication facts daily.

Science- Students are learning about clouds and weather tools are used to predict the weather. We are also following the current weather conditions, especially watching a hurricane heading toward Texas.

Reading: We are reading "Alabama Moon" & "Blood on the River." We will have a comprehension & vocabulary quiz on Friday. Our words are: savage, eavesdrop, innocent, dwindling, miserable, starvation, negotiate, & fury.

Grammar: We are focusing on adjectives and adjective order.

Writing: We are working on picking out the main idea of a passage and writing summaries.

Social Studies: We are still focusing on Native Americans. We will also begin studying about the geography of the US.
