Math- Students will learn how to divide using one digit divisors and up to four digits in the dividend. Various strategies will be used to problem solve and estimate using division.

Science- Our new unit of study is light. Students are learning about reflection and refraction of light.

Reading: We will be finishing the book "GA, What's Great About This State?" Look for a test date in your child's agenda. Continue reviewing the vocabulary words. They will test over those at the end of the book.

Vocabulary words are: heading, subheading, caption, valley, plateau, plain, plantation, region, Piedmont, sacrifice, monument, traditions, natural resources, colonize, & symbols. A study guide has been given.

Grammar: We are working on helping verbs. Here is a song with a list of the helping verbs. The students will have to know all 23 helping verbs and will have a quiz where they have to list them all. (Quiz has been extended to Wed., 11/15)

Helping verbs, helping verbs, there are 23!

Am, is, are, was and were, being, been, and be, Have, has, had, do, does, did, will, would, shall and should.

There are five more helping verbs: *may, might, must, can, could*

Writing: We are working on perfecting our informational writing.

Social Studies - We will be finishing up our study of the 13 colonies and start talking about the events that led up to the American Revolution.
