Upcoming Events

December 22-January 5
Christmas Break

Math- Students will learn how to divide using one digit divisors and up to four digits in the dividend. Various strategies will be used to problem solve and estimate using division.

Science- Our new unit of study is light. Students are learning about refraction of light.

Reading: Reading: We will start reading the book "Can't You Make Them Behave King George?" This is a short book that will tie into our study of The American Revolution.

Grammar: We will continue to practice using helping verbs.

Writing: Students will learn to organize his/her writing in a logical progression.

Social Studies We will be studying The American Revolution.
