Math- Students are practicing multiplication facts daily and learning how to multiply 3 and 4 digits by 1 digit using various strategies to solve. They are also learning problem solving strategies when using multiplication or basic division.

Science- Students are tracing the current weather conditions in Jasper, New York City and Sao Paulo, Brazil. We will be comparing these different regions and discussing the difference and similarities. **REMINDER:** Weather project information went home on Friday. It is due on November 2.

Reading- We will be finishing up the novel "Blood on the River." We will have a vocabulary & reading comprehension quiz on Friday.

Vocabulary words are: regal, vigil, rationing, foreshadowing, examine, delirium, servitude, & authority.

We will take the AR test over the novel, as well.

Language Arts: We will be working on recognizing action verbs and progressive verbs in sentences.

Writing: We are continuing to focus on Informational writing.
