Math- Students are practicing multiplication facts daily and learning how to multiply 2 and 3 digits by 1 digit using various strategies to solve. Students will also be exploring the differences between prime and composite numbers.

Science- Students are using weather maps to understand fronts and other weather patterns that help us predict the weather. We are also following the current weather conditions.

Reading: We are continuing to read "Blood on the River." We will have a vocabulary & comprehension test on Friday. Vocabulary words are: distasteful, awestruck, coronation, engulf, quell, & loner. A study guide will be sent home.

Grammar: We will be working on correct sentence & paragraph structure.

Writing: We are working on writing personal narratives.

Social Studies – We are continuing our study of explorers.
