Math- Students are practicing multiplication facts daily. They are also learning how to multiply 2 and 3 digits by 1 digit using various strategies to solve.

Science- Students are using weather maps to understand fronts and other weather patterns that help us predict the weather. We are also following the current weather conditions, especially watching a hurricane heading toward Florida.

Reading- We are reading "Alabama Moon" and "Blood on the River." We will have a comprehension & vocabulary quiz on Friday. Vocabulary words are: vision, vindictive, smoldering, enthusiastic, idle, & conjecture. We will be going to the library on Monday. Don't forget your library books!

Grammar- We are working on adjective order.

Writing- We are writing cause & effect statements. We will begin working on narrative writing.

Social Studies- We are continuing to study about Native Americans. We are also learning about early explorers.
